# Healthcare Services in the UK

There are many different healthcare services which are provided for you in the UK:

- ▶ Doctors
- ▶ Dentist
- ▶ Pharmacy
- ▶ Sexual Health Clinic
- ▶ Hospital
- ▶ Opticians

# IHS Charge and using Health Services

If you needed to apply for a visa to come to the UK, you would have paid an Immigration Health Surcharge.

This means that you will be able to make use of these services as if you were a UK citizen:

Doctors Appointments - **FREE**

Dentist – from £23.80 to £282.80 per treatment

Prescriptions (medicines from doctor) - £9.35 per item

Sexual Health Clinic (Provides Contraception) - **FREE**

Hospital (Emergencies Only!) - **FREE**

Opticians (cost will vary)

# Register with a GP

# Visiting the Doctor

- ▶ Doctors can be very busy at times. Try to call the surgery to book an appointment as soon as you know you need to see the doctor.
- ▶ Sometimes you may be seen by a nurse practitioner. They are just like doctors and are able to assess and prescribe medicines and advise you on how to get well.
- ▶ If you need medicine, the doctor may give you a prescription. This is a green letter that you will need to take to the pharmacy in order to collect and pay for your medicine.
- ▶ If you are unwell and the doctors are not open, you can call **111** for out of hours help or you can contact your GP for an emergency appointment.
- ▶ For the latest Covid-19 guidance and test information, visit <https://www.nhs.uk/conditions/coronavirus-covid-19/>

## Have you had your Men ACWY vaccine before coming to uni?

If the answer is **NO**,  
you need to **get it now**.  
Register with a GP  
and if you are 25 or under  
ask for your  
Men ACWY vaccine

If the answer is **YES**, brilliant, the  
vaccine will protect against some  
of the most common causes of  
bacterial meningitis in the UK  
**You still need to register with a GP - you  
never know when you might need them**

# Pharmacy Services

- ▶ If you have a less serious illness like a cough, a sore throat, or a rash you can visit a pharmacist. They will be able to provide you with medical advice and give you medicine.
- ▶ If you are given a prescription by your doctor, you can collect it from the Pharmacy.
- ▶ Pharmacists also provide free blood pressure/ cholesterol / diabetes testing.

# Hospital

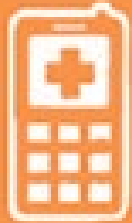

- ▶ You will not usually need to visit the Hospital unless you are told so by your doctor or if there is a **serious emergency!**
- ▶ A & E services are available only for **serious injuries** like a car crash or a life threatening injury.
- ▶ To call for an **Ambulance** the **Police** or a **Fire Engine** Call **999**.

**Choking.  
Chest pain.  
Blacking out.  
Blood loss.**

**A&E or 999**  
Emergencies only

**Unwell?  
Unsure?  
Confused?  
Need help?**

**Call 111**  
out of hours

**Vomiting.  
Ear pain.  
Stomach ache.  
Back ache.**

**GP Surgery**

**Diarrhoea.  
Runny nose.  
Painful cough.  
Headache.**

# If you are absent due to illness

What do you do if you feel unwell and think you may need to miss classes?

It is very important that if you are unwell and you need to miss lessons you **MUST** contact your Tutor and ISS so that we can make a note of this to avoid you getting into trouble.

To let ISS know, email:
